Packages

Cigar Experience Packages

Elevate your event with a premium cigar experience tailored to your preferences. Every package includes a dedicated cigar steward, cigar cutters, lighters, and ashtrays for the duration of your experience.

Vault Package

Perfect for hosts who want to provide a seamless experience. Pre-purchase cigars for your guests, ensuring a curated selection awaits them. This package includes the option for customized secondary cigar bands for a personalized touch.

Box Press Package

A flexible option where you cover the cost of cigars as your guests enjoy them. Pay for the cigars your guests choose to indulge in at the event.

Torch Package

A fully guest-funded option where attendees purchase their own cigars throughout the event. Ideal for casual gatherings or when offering cigars is an optional experience.

Customizable Experience

Mix and match packages to fit the needs of your event. Additionally, the host can offer tickets or tokens to select guests at your discretion, redeemable at the cigar bar. A great way to provide cigars to VIPs while allowing others to purchase their own.

Which package suits your event best? Let's craft an unforgettable cigar experience for you and your guests. Price is dependent upon assortment of house cigars, boutique selections, and a refined variety of rare and sought-after blends. Minimum purchase required for all packages.

Bonus Features

- Create your own branded cigars with your corporate logo for your event!
- Place your logo on unique cigar merch - humidors, ashtrays, and more!
